Experience

Quality Assurance Engineer

Sep 2022 - Current

Ecosmob Technologies Pvt. Ltd, Ahmedabad (Gujarat)

I have been working on the company product Tragafone, a mobile service platform that offers affordable data plans, easy mobile top-ups, and reliable customer support. My role involves testing its features, ensuring smooth functionality, and identifying any issues to improve user experience.

Roles and responsibility

- Understand requirement
- Prepare Test cases
- Perform all types of manual testing
- Report to team lead & reporting manager on daily basis
- Attend daily stand up meeting for project with team
- Add bugs in the bug tracking tool
- work directly with developer & maintain product quality

Service based:-

Under Tragafone Products I have worked in 12+ clients' projects and all those projects are- [V4-VoIP/BBLox/WeCloudit/CebodTelecom/UcBee/Annatel/Loquntur/YonderTele/Airbyte/VoiceSaver/Vested Networks/Ubefone/ZainCallsPro] related to VoIP.
